

GREEN'S

With A reputable name and strong presence, we are in the market, exporting since 1976. With quality service, we have gained a strong presence in the market intending to provide fresh, hygienic, and organically grown green vegetables at reasonable prices. We are a wholesaler and exporter of organic, fresh, and authentic vegetables. We have a network of farm suppliers who sell directly to us, allowing us to offer authentic products at wholesale rates.

Core Values

Our business has flourished owing to our core values of integrity, sincerity, and loyalty towards our valued customers. We devote a significant amount of time to identifying the perfect suppliers that follow the same values as our business.

Authentic, fresh agricultural products directly from the farm

- ▶ Seeking healthy foods is the most brilliant move to stay well in this adulterated cra! We at VM Greens bring the most authentic fresh-grown veggies that help the community stay healthy. We are the industry's most reliable and extensive exporters of vegetables, supplying freshness to wholesalers.

Direct from the farm

- ▶ We at VM Greens have an extensive chain of farm suppliers who bring us the farm's purest and fresh vegetables. As we are undeviatingly connected to the farmers from every corner, we can bring the most genuine farm products at an exceptional wholesale price.

Valuing every single life

- ▶ One of the most vital aims of VM Greens is to value the lives of the people. So, we make sure that we deliver the highest quality of agricultural products to people. Before exporting the food products, we ensure the quality check and hazard elimination in every step of exporting. Our quality assurance ensures that the vegetables stay in its purest form until it reaches the wholesalers.
- ▶ Further, we also value the hard work of the nation's farmers. That is why we buy the farm products at a price that will pay off the hard work of the farmers. But, in addition, we make sure we are encouraging the farmers that enable them to bring out more trustworthy farm products.

Products Offered

- ▶ Bitter gourd, snake gourd, bottle gourd, broad beans, long beans, drumstick, brinjal, tendli, cluster beans, plantain, plantain stem, plantain flower, ladies finger, green chilli, ridge gourd.

Why choose VM Greens!

Supply of a wide range of vegetables around the globe
